

The Company

Headquartered in Dublin, Ireland and with a professional support team positioned globally, Killick Aerospace is a distributor of New and Used Aircraft Parts, Aircraft Engines and related equipment to a customer base of Commercial Aircraft Operators and Maintenance Providers globally.

Recently relocated to a new 40,000 square foot facility in Dublin, we are currently seeking a Purchasing Manager to join our Product Line Team. The primary responsibility of the role is to ensure Killick can respond quickly to customer requirements in a time critical marketplace.

Killick Aerospace currently utilizes Quantum Control (ERP), Salesforce (CRM) and multiple other peripheral systems. The Company is ASA-100 and AS9120 accredited.

The Position

Reporting to the Commercial Product Line Director, this role is central to the performance of the Company and involves coordination with every other segment of the Company. The Purchasing Manager is responsible for the purchase of rotatable parts and co-ordinating with the Sales & Marketing team to ensure that parts are available for sale and priced to market to maximise overall company performance.

Primary areas of responsibility:

- Evaluate Purchase Opportunities
- Procurement of Rotatable Parts
- Coordinate with Product Line Team
- Coordinate with a Global Sales & Marketing Team to maximise sales opportunities through parts brokering.
- Expanding on existing Product Lines
- Ensure that overall fiscal targets are met.

The Candidate

The ideal candidate for this position will be a self-starter, with prior knowledge of the Airbus and Boeing USM aftermarket.

Requirements

The candidate should have a minimum of five years' experience in a similar position, ideally with a background in aviation materials supply or a related field.

Experience in all Microsoft Suite products including Excel and PowerPoint.

The candidate should be highly organized, detail oriented and have excellent written and verbal communication skills with the ability to work in a fast-paced and evolving business environment.

The candidate should have the flexibility and the availability to work outside of normal business hours as needs dictate. Occasional business travel is required.

Salary and other benefits will be commensurate with the experience of the selected candidate.
